Christopher Purvis (CP)
Rob Hollin (RH)
Chris Neil (CN)
Penny Hill (PH)
Chris Brotherton (CB) of Thomas Homes

Apologies

Irene Steinbrecher (IS)
Estelle James (EJ)

- 1) TORs. Draft NDO SG TORs endorsed. [Afternote – endorsed by the Parish Council on 13 July 2020, together with the NDO SG TORs]
- 2) Update. GB provided a quick update.
 - a. School Consultation. 2nd meeting held. RH has produced notes. All agreed the intent now is to support the school's aspiration to put all new development on the school site, except for the running track. Most of the funding earmarked for the Village Hall expansion would now be provided as a grant to the school. Some funding would be retained for improvements to the VH. Next steps are for CB, RH GB to approach the Diocese. **Action CB, RH GB**
 - b. Counsel's opinion on VSCs. Initial reaction very positive. Requested a written narrative and supporting evidence. [Afternote. Submitted by GB to CB on 23 July].
 - c. Design Huddle Brief – held 26 Jun. KB has forwarded his notes by way of a record of the key points.
- 3) Community Engagement Plan. CB will put together the engagement plan. . PH suggested using the C-19 clusters as a vehicle for F2F meetings. Meetings with potential objectors will be actively arranged. [Afternote. Draft plus GB comments circulated on 15 July. DC has agreed to do 'school slot' on the video. SR and PH have agreed to jointly co-ordinate the community engagement piece with CB]. **Action SR and PH with CB**

Afternote. CB and GB agreed that the draft NP needs to go out on consultation with the draft NDO, and feedback comments collected in the same way. GB has connected CB with the PC's webmaster. Action with GB to find a day to finish the draft NP ready for consultation.

- 4) Project plan. Mike Robinson of Strutt & Parker will assume responsibility for the project plan on behalf of CB. GB has sent him a copy of our latest version.

5) DONM:

- a. Design Huddle Friday 7th August at 13.00, LTFH. Aim for 60 mins max.
- b. NDO SG (key points only, 15 mins max)
